

REMARKS

This amendment is being filed with the payment of the issue fee. Entry of the foregoing amendment is respectfully requested.

Claim 10 is currently being amended. The amendment to claim 10 is needed to correct a clerical error in the Examiner's Amendment to claim 10, which deleted the term "perform" on line 9, but did not replace it with "performing". The amendment is to improve the readability of claim 10, but does not substantially affect its scope, or require further search or examination.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claims remain under examination in the application, is presented, with an appropriate defined status identifier.

It is believed that no fees are due in connection with this Rule 312 amendment. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,
